Summer Camp Behavior Policy

At Playwise, we "take care of our friends and take care of our school." This means we treat our friends and teachers with the utmost respect! We keep our hands and feet to ourselves, follow directions, and act responsibly with our toys and personal items. Our goal is for all children to have fun in a safe and positive environment!

Playwise reserves the right to dismiss any child due to inappropriate behavior (including destruction of property, hurting other children/adults, and severe disobedience). If a child's behavior jeopardizes the ability to provide a safe and friendly environment, a parent will be called for immediate pick-up.

I have reviewed the Playwise Summer Camp Behavior Policy, and I understand that my tuition is non-refundable if my child is dismissed due to inappropriate behavior.

Infectious Illness Policies and Procedures

To ensure the safety of our staff, our campers, and our campers' families, the following measures are currently in place at Playwise in regards to Covid-19 and other infectious illnesses.

- Playwise has implemented a mask-optional policy. Parents may use their discretion to determine whether their child should wear a mask. All staff members will ensure that students follow parent preferences regarding mask-wearing.
- Staff and/or campers showing Covid-19 or any cold/flu-like symptoms will not be admitted for the day. Staff and/or campers should be symptom free and fever free, without the use of medication, for 24 hours before returning to camp.
- We require emergency contact numbers and access to communication with you while your child is in our care. We adhere to a strict policy of sending children home if we feel uncomfortable, in any way, regarding the spread of any germs.
- We require campers to use hand sanitizer (or if preferred, campers may wash hands with soap and water) upon check-in. We have increased the frequency of our teacher-monitored hand washing routines throughout our camp day.
- We have increased the time spent before, during, and after camp for sanitation of our classrooms, indoor/outdoor equipment, and bathrooms (especially high-touch areas, such as doorknobs, art supplies, toys, etc.).
- Children will need to bring their own labeled water bottles, as our water fountains are disconnected until further notice. We can refill water bottles using store-bought, filtered water in our refrigerator.
- We require all of our campers to be fully potty trained. Please keep a change of clothing in a labeled plastic baggie in your child's backpack for emergency use.
- We maintain a closed-door policy, and parents are not allowed to enter the building unless planned in advance.
- We expect all staff and families in our Playwise community to practice preventative behaviors at home. This is the most important action that will prevent the spread of illness in our school. We must stress the importance of monitoring for and responding to the symptoms of colds/flu/Covid-19 at home. It is crucial that campers remain home when they are sick with any cold/flu/Covid-like symptoms.

I have read and understand the Infectious Illness Policies and Procedure in place at Playwise Preschool Academy.
